It teaches values that, when practiced, could influence the rest of their lives. My 12 year old grand daughter told me about it. I loved the story and would recommend it to any one who wants to help young girls make good decisions during their teenage years. It covers enduring values such as love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control. I wish someone would have given this book to me at that age. I think it would have saved me from making bad decisions that I regret to this day.0 of 0 people found the following review helpful.
